## **Parkwood Knolls Neighborhood Reconstruction**

Dear Resident:

Please note that this update is divided into two sections. The first section, Phase Updates, contains specific information pertaining to particular residents while the second section, Overall Updates, contains important information pertaining to all residents.

### **PHASE UPDATES**

**Phase 1** - (South Knoll Drive, Knoll Drive, Idylwood Lane and part of Schaefer Road up to Idylwood Lane intersection)

Please have your old mailbox available for crews as they will begin reinstalling mailboxes on your street sometime this week. If you wish to replace your old mailbox, please purchase a new one, pre-assemble it, and crews will install it for you.

**Irrigation system and pet fence repairs:** If you haven't yet done so, please schedule your repairs now to your irrigation and pet fence systems. Once the systems have been repaired, please have your company mark the locations with a flag. This will help sod crews to locate the heads and not disturb them while installing your new sod.

Please have your irrigation company or pet fence company invoice the City directly @ 4801 W. 50th St., Edina MN, 55343. (Attn: Aaron Kuznia, Engineering Dept.)

Crews plan to begin replacing the sod in your neighborhood the week of July 12. To avoid delay, please turn your irrigation zones off that are near the street. If the black dirt is too wet, crews will not be able to work the soil to sod your lawn.

Please remember, these schedules are weather dependent.

**Phase 2** - (Schaefer Road north of Idylwood, Parkwood Road and Westwood Court)

Phase 2 will begin once phase 1 restoration is complete, and CenterPoint Energy has completed their upgrades of the gas main.

### **OVERALL UPDATES**
