

City of Edina

Construction Update No. 3E

Country Club Area Sewer, Water, and Street Reconstruction Project

City Improvement No. A-213 and A-214

August 11, 2009

Since May 2008, the City of Edina has been reconstructing the water main, sanitary sewer, and streets in the Country Club neighborhood bordered by Sunnyside Road, Arden Avenue, West 50th Street and Minnehaha Creek. During the week of August 17, water main reconstruction will shut-off the supply of water to about 85 houses outside of the Country Club neighborhood. These houses are along, and south of, West 50th Street as shown in the map on the back of this memo. Your house is one of those houses.

The shut-off could last for up to two (2) consecutive days beginning in the morning, around breakfast, and lasting through dinnertime. You will have water service during the overnight hours.

The City's contractor, Palda and Sons, Inc., will place a doorknob hanger on your front door 24 hours before your water service is interrupted. The hanger will provide you with the actual date and time for the shut-off(s) and who to contact with a water related emergency. Beginning late, during the week of August 17, please check the doorknob on the front door of your house each day for the hanger.

In addition to the shut-off in your water service, the following street closures will occur as part of this work.

- West 50th Street will be inaccessible to traffic that is northbound on Arden and Bruce Avenues
- West 50th Street between Wooddale and Halifax Avenues will close to eastbound traffic. Traffic will detour eastbound from West 50th Street south onto Wooddale Avenue, east on West 54th Street, north on France Avenue, west on West 51st Street, and north of Halifax Avenue back to West 50th Street. Expect delays.
- Wooddale Avenue will close to northbound traffic between Wooddale Lane and West 50th Street.
- Wooddale Avenue will close to all traffic between West 50th Street and Country Club Road. This particular segment of Wooddale Avenue will not reopen until mid-September. All other streets will reopen August 24.

We understand that this is an inconvenience. We will work as quickly as possible to minimize the amount of time your water service is shut-off and streets are closed.

SEH is conducting the inspection of the reconstruction work for the City. Please call me, Chad Millner, at SEH with your questions and concerns. My telephone number and email address are 952.912.2633 and cmillner@sehinc.com. If you get my voice mail when you call, please leave a message. I check my voicemail regularly throughout the day, and even on the weekends.

If I do not have an answer for you, I will route your question or concern to the City, Palda, or other SEH staff members. Once I have your answer or information, I will call you back.

You may also contact your City Engineer, Wayne Houle, at 952.826.0443 or whoule@ci.edina.mn.us.

Sincerely,

Chad Millner, SEH
