Sanitary Sewer Lift Station No. 1 Improvements
4041 Sunnyside Road
Improvement No. LS-44

Dear Resident:

Next week you may notice our survey crew working in your side or rear yard. The surveyor(s) will be in a marked City of Edina vehicle and will have City of Edina reflective vests on.

The surveyor(s) will be taking topographic survey shots associated with the sanitary sewer lift station project. There may be a few stakes with a pink ribbon attached to each stake. Please do not disturb these stakes even if you believe they are on your property.

We apologize for any inconvenience this may cause. Please do not hesitate to contact me if you have any questions or concerns at 952-903-5713 or email me at jstruve@ci.edina.mn.us.

Regards,

Jesse Struve, PE
Utilities Engineer
