France Avenue Residents
Edina, Minnesota

RE: Resident Letter No. 5
France Avenue Sidewalk Project from 48th Street to Sunnyside Road
City of Edina, Improvement No. S-101

Dear Resident:

The above referenced project that was approved by Edina City Council on December 2, 2008 will be postponed until 2010. The continuing coordination efforts with the State, County and utility companies has been slower than expected. Starting construction in the spring will ensure we have ample time to construct the sidewalk.

Thank you for your continued patience and please contact me with any further questions pertaining to the France Avenue Sidewalk at 952-826-0445 or email jsullivan@ci.edina.mn.us.

Sincerely,

Jack D. Sullivan
Assistant City Engineer
