Park Happenings

Peak Café

Edinborough Park recently opened the Peak Café. Our menu was created based on the comments we received in our survey last spring. The Peak Café offers a wide variety of healthier options. Visit the Café today for some of your favorite treats. We will now be serving hot chocolate for those cold winter days when you need a little something to warm you up.

Adult Supervision

Edinborough Park is a great family destination. It's a fun active place for everyone in the family. Please remember that youth under the age of 14 must be supervised by an adult at all times.

Groups

Schedule your group to visit Edinborough Park. Groups are welcome to use the Great Hall and Adventure Peak, and we will also provide space for lunch. It is a great way to spend a cold winter day. Cost is just \$5/ child for groups of 25 or more. Chaperones are free.

Composting—ROT

Recycle Organic Trash—Let's ROT! This is our new motto at Edinborough Park. With our primary guests being our future, we feel it is important for us to be aware of the environmental footprint we are leaving behind. All of our paper products used in the concession and birthday party area are compostable. Even the plastic cups! Take a moment to check signage and sort recyclables when you are disposing of your concession trash.
